GRAPHICS DESIGNER / VIDEO EDITOR

DIGITAL MEDIA — WEBSITES — VIDEO — PRINT — PRODUCTS PACKAGING DESIGN
SOCIAL MEDIA GRAPHICS DESIGNS — PRODUCTS COMMERCIAL DESIGNS

ABOUT ME

My name is Nsikak Solomon John, a dedicated & passionate graphics designer for over six (6) years with high level experience in graphics, media production and video editing.

I have gained diverse knowledge, skills & experience in working with Adobe creative suite software like Adobe Photoshop, Adobe After Effect, Adobe Premiere pro, Capcut, Canva, OBS & Audacity for social media post and ads content designs, print & digital media designs, websites, Products commercial designs, products packaging & branding designs, video animation, interactive media & visual designs. I have designed and completed many graphics projects for companies from flyers published on their social media platforms, short commercials videos for social media ads, magazine publications, graphics for websites, billboards, banners, posters, business cards, movie posters, products packaging mockup designs, products commercials and other related projects including videos ads for other media platforms.
